SKU: **CSBAMFX** **DETERGENT CLEANS.** **CERTAINTY® SMARTBOOST™ PROTECTS.**

This antimicrobial laundry additive was created for healthcare professionals who want to feel comfortable washing their scrubs at home.

One capful, added during the rinse cycle, infuses the entire laundry load with protection against bacteria that cause odor and fabric degradation.

Certainty SmartBoost is safe to use on all machine-washable fabrics, including infant clothing and fabrics that touch food.

It reduces the risk of bringing unwanted bacteria into the home, and stops fabric odors at the source, so clothes smell clean.

Wash all garments thoroughly after each use. Garments treated with Certainty SmartBoost antimicrobial laundry additive do not protect users or others against bacteria, viruses, or disease organisms. Always follow all best practices for infection prevention.
